- Delivers antioxidant protection

30 ml / 1.0 fl.oz

THE POWER OVER TIME in your hands

Anti-Aging Brightening Serum in Cream
is essential in Hyaluol's Protocol of
Patient Contour Correction Management

Antioxidant Multivitamin Serum

Nourishing serum with powerful antioxidant protection

SCIENCE & RESULTS

LPD's MULTIVITAMIN Complex blends vitamin A, C, E and F to help stimulation collagen synthesis, reduce wrinkles and deliver antioxidants

SYN-COLL - is a deep-penetrating, bioactive tripeptide that stimulates collagen synthesis, improves skin texture and reduces the appearance of wrinkles

NIO-SENSIL - is a balanced moisturizing system

GABACARE - is proven to reduce fine lines and combat the formation of future wrinkles by penetrating skin and relaxing tense muscles

HYALURONIC ACID - retains skin's natural moisture

- Improves skin texture and tone
- Moisturizes skin
- Delivers powerful antioxidant protection
- Increases skin firmness and elasticity
- Reduces appearance of new wrinkles

30 ml / 1.0 fl.oz

THE ENERGY OF YOUTH

Antioxidant Multivitamin Serum is essential in Hyaluol's Protocol of:

- ✓ Redermalization
- ✓ Balances oily skin
- ✓ Improves swelling with lymphatic drainage technique
- ✓ Reduces post-acne marks
- ✓ Improves hyperpigmentation for more even skin
- ✓ Skin care routine

Ultimate Eye Cream

Intensive
eye correction
cream

SCIENCE & RESULTS

SHEA BUTTER is a rich emollient that soothes, moisturizes and enhances skin's lipid barrier

EPS SEAFILL is an active that provides an instant and prolonged lifting effect to eliminate signs of fatigue in the orbital eye area

DERMOCHLORELLA is a green micro

algae extract that effectively reduces vascular defects and diminishes the look of dark circles under the eyes

EYESERYL

is a targeted active rich in tetrapeptide, which minimizes edema and dark circles under the eyes

STOECHIOL

is colloquially known as a «natural botulotoxin». It penetrates deep to relax tense muscles, thereby smoothing existing wrinkles and preventing the emergence of new ones

HYALURONIC ACID helps restore natural moisture to skin

- Increases skin firmness and elasticity
- Reduces puffiness and dark circles under eyes
- Visibly eliminates wrinkle reticulum circles under eyes
- Eliminates wrinkle reticulum wrinkles

Immediate smoothing and antiwrinkle effect – 15 minutes
15 ml / 0.5 fl.oz

REVEAL YOUR BEST EYES

Ultimate Eye Cream is essential in Hyaluol's Protocol of:

- ✓ Redermalization of the periorbital area
- ✓ Improves swelling with lymphatic drainage technique
- ✓ Eliminates dark under eye circles
- ✓ Skin care routine

Resurfacing Exfoliating Pads

Multi-acid moistened
pads for regenerating
facial skin

SCIENCE & RESULTS

PRO-VITAMIN B5

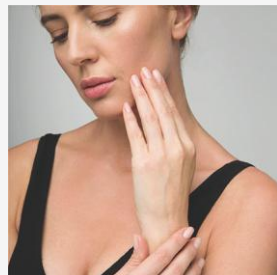

stimulates skin's regeneration process,
increases strength
of collagen fibers

Combination of acids:

5.6% Glycolic acid
3.1% Lactic acid
0.5% Salicylic acid
0.5% Citric acid
pH 3.7

Panthenol soothes and moisturizes skin while
smoothing wrinkles

- Visibly reduces signs of skin aging
- Evens skin tone and reduces hyperpigmentation
- Improves skin texture
- Significantly refines pores

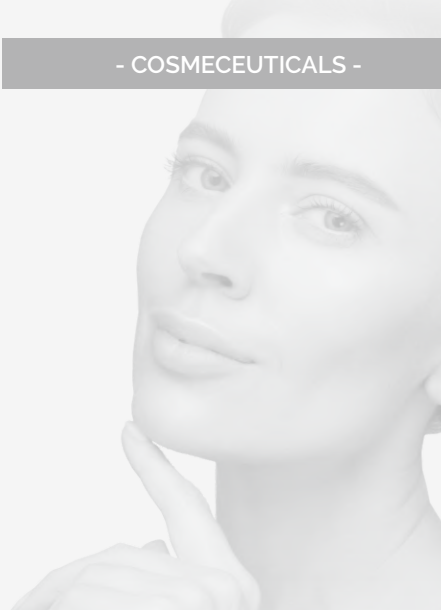

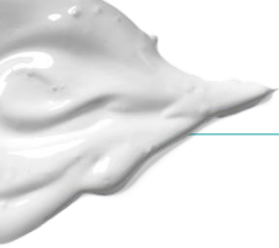

60 per box

RADIANT AND RENEWED SKIN

- Resurfacing Exfoliating Pads** in Hyaluol's Protocol of:
- ✓ Redermalization
 - ✓ Concomitant technique: redermalization and peeling
 - ✓ Balances oily skin
 - ✓ Reduces post-acne marks
 - ✓ Improves hyperpigmentation for more even skin
 - ✓ Peel
 - ✓ Skincare routine

WOW Mask

Anti-aging mask for improving skin tone and texture

SCIENCE & RESULTS

COLLAGEN MATRIX is enriched with peptides and plant cell extracts to provide effective and deep hydration

ARGIRELINE blocks terminal nerve endings and eliminates fine lines

HYALURONIC ACID helps restore natural moisture to skin

RMCP COMPLEX is a combination of cell cultures from Alpine rose, Swiss wild apple, chamomile and Portulaca oleracea extract. It helps improve skin tone and texture
